ELECTRIC LINE RIGHT OF WAY EASEMENT
OVERHEAD DISTRIBUTION LINES

[redacted]

STATE OF NORTH CAROLINA LOCATION NUMBER 2639-48-6713

COUNTY [redacted]

[redacted] one or more)

hereinafte[redacted] aid [redacted] Membership Corporati[redacted]s, the perpetual right, privilege, and easement:

(I) Property Description:

[redacted] of the grantor, consisting of approximately 1 ± acres, situated on or near [redacted] County and State, said lands of grantor being bounded by the lands of [redacted] SOUTH with NCSR 1934 to the WEST

(II) Right-of Way Description:

The Distribution Line Right-of-Way is defined as a space 30 feet wide, 15 feet on each side of the center-line of distribution line, except for guy wires extending beyond 15 feet from poles, PRIMARY DISTRIBUTION LINE TO FOLLOW COURSE OF NCSR 1934

(III) Purpose

(A) To construct, reconstruct, operate, maintain and repair in, upon, over, under and through said land, within a right of way herein defined, and/or in, upon, under, over or along all streets, roads, highways, or waterways thereunto abutting, in a proper manner, with poles, structures, overhead and underground wires, guy wires, and other necessary fixtures, apparatus, electric distribution lines or systems, for the purpose of distributing electricity by one or more circuits and or carrying telephone or cable TV wires of the Corporation or any lessee thereof;

(B) To enter upon said land at any time for the purpose of inspecting said lines and facilities and making necessary repairs, changes and alterations thereof;

(C) To, by mechanical or chemical means or otherwise, keep and maintain a right of way clear of all structures (except ordinary fences), trees, stumps, roots, shrubbery and undergrowth along said lines, facilities or structures; and

(D) To cut or fell any tree or trees outside of said right of way herein granted which, in the opinion of the Corporation or its representative(s), constitute a hazard to or may endanger the safe and proper operation or maintenance of said lines, facilities or structures, a danger tree being any tree whose height pl[redacted] the distance from the base thereof to a point on the ground directly beneath the nea[redacted] the nearest conductor itself.

The grantor agrees that all lines, facilities, structures and related appara[redacted] land by the Corporation or its representative(s) shall be and remain the propert[redacted] replaceable at its option; and that the grantor will not construct any structure (ot[redacted] cleared portion of said right of way, except upon the prior agreement thereto by the[redacted]

ELECTRIC LINE RIGHT OF WAY EASEMENT
OVERHEAD DISTRIBUTION LINE

The Corporation agrees that in locating and installing its structures and anchors, it will endeavor to take advantage of roadways, streets, ditches, drainage or other utility easement, hedgerows, etc., so as to cause the least interference to the grantor and his use of said land.

TO HAVE AND TO HOLD the aforesaid rights, privileges and easement unto the [redacted] Membership Corporation, its successors and assigns, forever.

The undersigned covenant that they are the owners of the above-described lands and that the said lands are free and clear of encumbrances and liens of whatsoever character except those held by the following persons:
